

Christ the King Catholic Primary School

In Jesus we learn, grow and pray together

Our PE and Activities Mission Statement

Christ the King is an active school where we use teamwork to keep healthy, fit and strong and where we believe in ourselves and our ability to push our own limits.

Monday 9th October

Permission for Competitions

Dear Parent/Carer,

At Christ The King, we aim to offer all children opportunities and experiences in representing our school in sporting competitions. Throughout the year, many of our children will be entered in competitions outside of school. These, as you know, require a lot of permission slips. Instead of sending individual permission slips for every competition, we have decided to send a general letter home. By returning the slip below, you approve of your child being entered into external competitions. You will still receive notification that your child has been chosen for an event, however if the slip below is returned, permission will no longer be necessary.

In regards to competitions and teams, we believe that children should appreciate the chance to represent our school and be proud to do so. Therefore, we do not expect pupils to refuse these opportunities given to them. Children who do, may be overlooked for future competitions and teams. Please remind your child of this and encourage them to try different sports whether they have previous experience of these or not.

Thank you to all for your continued support.

Mr McLaughlin
P.E. Lead

I would like my child _____ class _____ to be considered for school teams and competitions this year.

Please tick as appropriate

I give permission to take pictures of my child.

I give permission for my child to walk home alone

Signed _____ date _____
